

Four County L.O.S.S. Team: Notes from January 14, 2019 Meeting

General Notes:

- The January 2019 LOSS Team meeting was called to order. There were 19 team members in attendance.
- Packets were distributed to those team members who needed them. It was decided that beginning next month, every team members will have 2 LOSS packets. This is due to the size of the families at a LOSS call often require more than one packet, and the fact that the LOSS Team meetings are now held on an every-other-month schedule.
- New and replacement materials were distributed to all team members present.
- Tonie informed the team that the 4-County LOSS team was awarded nearly \$2000.00 in postvention mini-grant funding. The money will be used to purchase new and replacement supplies for the Support Group and the LOSS Family Packets. The items will be purchased once the funds are received.
- Tonie Informed the LOSS Team that the following individuals will no longer be service on LOSS
 - Les McCaslin
 - Sandy Wyse
- Mandy Waldfogel and Billie Jo Horner provided an update of the success of the 2018 Survivors Day Event. Many reported that there were nearly 40 survivors in attendance, with support groups, speakers, creative activities, lunch, and a closing ceremony to honor those lost. It was a wonderful day that was both moving and healing.

Activity:

Since the November meeting, there had been three LOSS activations as follows:

- Fulton County – BJ H./Les Mc.
